***FOR IMMEDIATE RELEASE***

Canton, Ohio (April 29, 2014) – The HomeSpection® Training Institute is excited to announce that as a result of our partnership with InterNACHI, the International Association of Certified Home Inspectors, our graduates will receive a 6 month free membership to InterNACHI. InterNACHI provides their members with additional courses for continuing their education, webinars, and resources for logos, marketing materials and business forms.

In addition to the “Hands On” training you’ll receive in the classroom and out in the field inspecting homes while attending the HomeSpection® Training Institute, our graduates will now have access to additional certifications through courses covering topics like, Decks, Pests, Radon, Mold and much, much more.

InterNACHI Founder Nick Gromicko says, *“This partnership is a perfect fit, combining personalized “Hands On” training in the classroom and out in the field with a state-of-the-art professional membership organization.”* Joseph Jefferys, President of the HomeSpection® Training Institute, adds, *“After researching, we feel that InterNACHI does more for their members than any other organization, add that to all we do for our students, and it’s easy to see that this partnership is a win-win for our students.”*

The HomeSpection® Training Institute is excited about the opportunity to work with InterNACHI for the betterment of our students, the inspection industry as a whole, and to maintain the highest level of standards for our Certified Home Inspectors.
